

# EMPLOYERS!

## Do you feel boxed in by limited and expensive employee benefit choices?

Does your broker show the same old “solutions” at every renewal?

### 4 Key Questions:

- 1) Have rates become more affordable?
- 2) Have benefits become richer?
- 3) Do your employees love their benefits?
- 4) Are your benefits attracting the employees you need?

**At Worksite Benefits there is no boxed in thinking, only creative solutions!**

**Our plans attack health care's biggest issues head on!**

- Unrelenting cost increases
- Out-of-pocket costs that cause 69% of personal bankruptcies
- Outrageous prescription drug costs

### Our Innovative Plan Options

- Non-traditional health plans featuring medical cost sharing
- ICHRA & QSEHRA plans
- Fully insured health plans

### Common Plan Features

- Medical bill negotiation
- Dramatically reduced prescription costs
- 30% to 50% reduction of plan costs
- Low out-of-pocket costs

***Don't wait for open enrollment to improve your benefits!***

***Why Traditional Health Insurance is broken***
